"All participants are required to attend both the off ice and on ice session for their designated group prior to Tryouts beginning.

If a player did not play on a Pee wee or above Competitive team within Hockey Nova Scotia last year they must attend both on-ice and off-ice sessions for their level. Any summer Checking Clinics are not sanctioned by Hockey Nova Scotia.

If they do not attend both sessions they will not be able to attend Selection camps; there will be no exceptions. A 30 minute period between off ice and on ice times will allow players to dress and prepare for the on-ice."
