

CBC

CBC News Nova Scotia in collaboration with Hockey Nova Scotia will be producing a Hometown Hockey Hero segment between 5:00 – 5:30 p.m. weekdays.

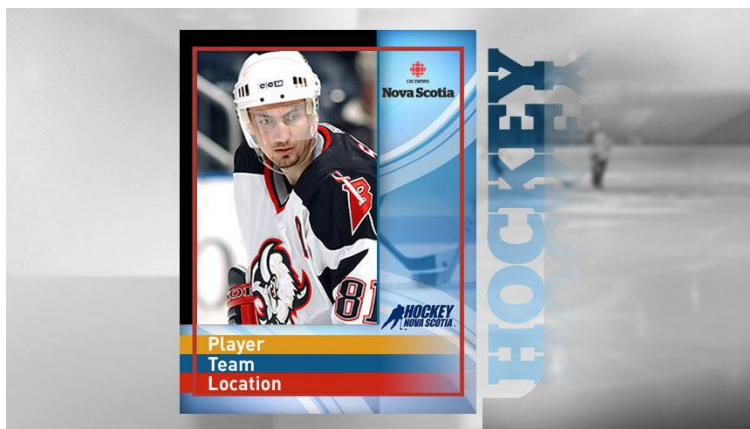

The Hockey Heroes segment will be featuring local hockey stars (up to age 16) each day on the show. A new Hometown Hockey Heroes webpage (which is still in development) will be featured as a link on both the CBC and Hockey Nova Scotia websites where you can view all of the Nova Scotia Hockey Heroes. All photos will be uploaded to the webpage, and we'll randomly select the hometown hockey hero to appear on CBC News Nova Scotia at Five

In order to participate here's the information we need about each player:

- Name
- Age
- Hometown
- Team
- Position
- A photo of the player in their team uniform

Below is an example of the player's card that CBC News Nova Scotia will feature each night on the show at 5:00 p.m.

When applying for the program please include your email address so that you can be contacted in advance to let you know when your star's hockey card will be featured.

Let's work together to shine a spotlight on the young Nova Scotians playing the sport of choice in our province.

In order to enter in the program please forward your player's photo and information to mmacdonald@hockeynovascotia.ca
